Brad/Jeff:

Attached are USACE's comments on the RP's IB Alternatives Analysis Report dated 10 Oct 2014. Please let me know if you have questions regarding the attached comments and if you are planning to have a comment resolution meeting with the RPs.

Per discussion and email with Lynn, our team is planning to participate in a call/meeting on 13 November at 2pm to provide our input on the path forward options. Scott Young, Paul Speckin, and I will travel to your office for the meeting. The remaining USACE team members will participate by phone. Please provide a call in number for the 13 Nov meeting.

Thanks!

Robyn
